LULL USAGE

The Lull Lift may be rented by owners or contractors for delivery of large scale items such as sofas and appliances.

This service is available under the following conditions:

1. Availability is based on the needs of the Association and on a first come first serve basis. (The Association may not always be able to offer usage of the lift, check with Maintenance before scheduling a delivery.)
2. The cost for rental of the lift is \$120.00 an hour, with a minimum of 1 hour. This includes the operator and lift only. Any technicians required to load or unload will be billed at the Maintenance hourly rate of \$60.00 an hour per technician, with a minimum charge of ½ hour.
3. The lift should be scheduled at least 72 hours in advance of usage. Please schedule directly through the Maintenance Department by contacting Iris at 970-476-4840 ext. 3060. (fax 970-477-3061)
4. The lift is available Monday - Friday only, 9am – 3:00pm.
5. Homeowners will be billed on their accounts; any others who wish to rent the lull must pay at the Front Desk/Registration Office (cash or check only) in advance of usage.
6. The lift may only be used to access the parking lot side of condos. It is not allowed on the creek side of any units. Due to its weight, the lift is only allowed on paved surfaces. (The lift is not available for Bldg 6)
7. Always measure before purchasing new items to ensure proper fit and to determine whether the items will fit through existing doorways.
8. The operation of the lift is solely at the discretion of the operator. He will not do or attempt anything which he considers unsafe to person, property or equipment.
9. The association assumes no liability if the lift is unavailable or inoperable for scheduled appointments.

I agree to the above conditions:
